The early arrivals of machine are not subject to additional billing for machine bigger than (L)200x(W)150x(H)200cm or weightier than 2 tons, and which request a lifting with crane or big forklift. Early set-up requests have to be submit to **Clasquin Fairs & Events** for approval.

For safety reason, the lifting and handling operations with crane or/and big forklift for the unloading and handling on stand must be done only on **Friday, May 8th before 5:00 pm**.

For the outbound, **CLASQUIN** will plan the reloading schedule according the on-site traffic and free access to the stands. Please liaise with **CLASQUIN** before to book your transport.

IMPORTANT NOTICE for all incoming vehicles more than 3.5 Tons: The access to the handling areas will be strictly controlled. All incoming vehicles more than 3.5 Tons must register at the Clasquin F&E office located on the parking Prouvet / P10. At the vehicles arrival, an access pass will be given by Clasquin F&E to the driver in order to access to the delivery bays according to the schedule and space available. No access to the delivery bays will be possible for any vehicles more than 3.5 Tons not showing a valid access pass. Once handling is finished, please remove your vehicle immediately from the delivery area.
